

HELP SHAPE THE FUTURE OF BAYO CANYON TRAILHEAD

The goal for this meeting is to learn from the community and the Trailhead's user groups how they use the site and what potential improvements could better serve the community.

LISTENING SESSION 1

AGENDA

February 11, 2026 | 5:30-7:30pm | Fuller Lodge

- Introductions
- Presentation
- Open Discussion
- Take Online Survey

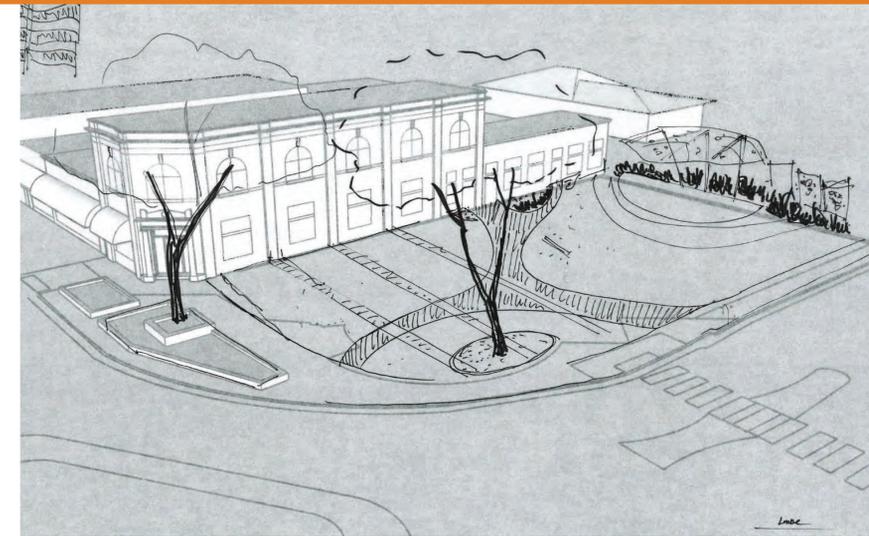

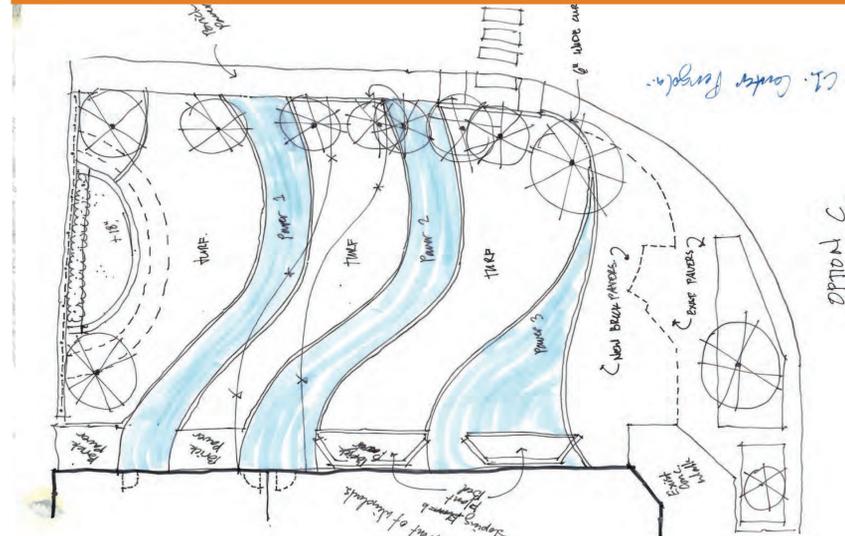

OUR DESIGN PROCESS

VISIONING

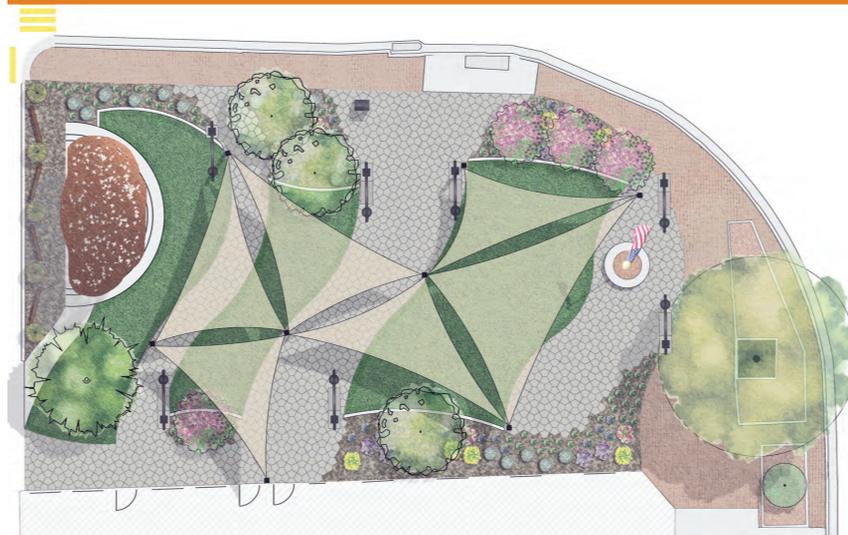

- The “Pinterest” phase - get inspired and dream big.
- Identify opportunities and constraints.
- Analyze existing site conditions.

CONCEPTUAL DESIGN

- Conceptual Design(s) based on Visioning Phase.
- Gather feedback from stakeholders.
- Identify what works and doesn't work.

SCHEMATIC DESIGN

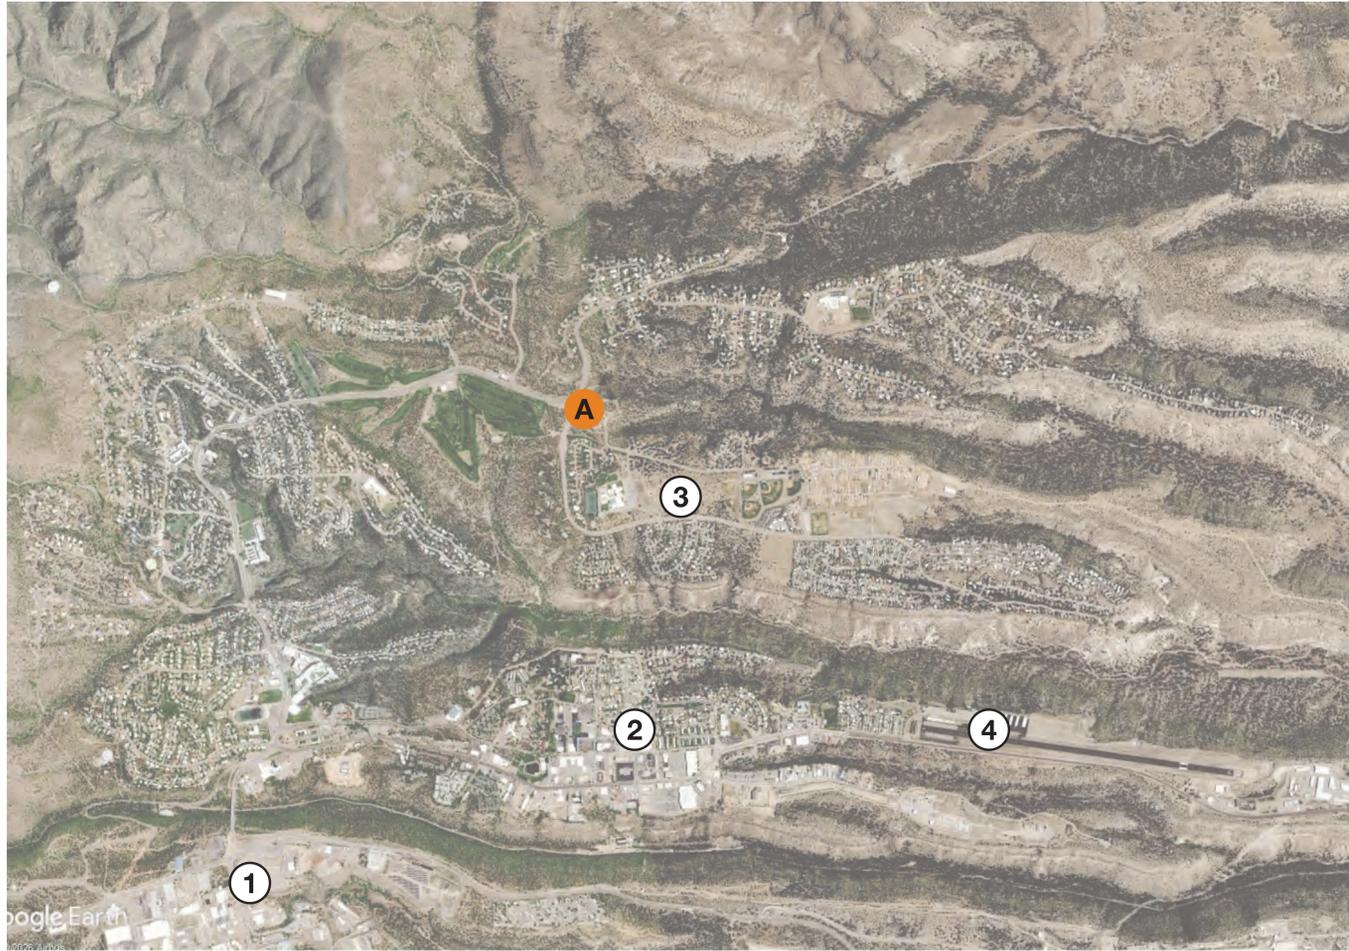

- Refined Schematic Design Plan based on Conceptual Design feedback.
- Gather final feedback from stakeholders.
- Move forward to Construction Documentation.

CONSTRUCTION ADMINISTRATION

- Develop buildable site plan and details.
- Construction Documents go to Bidding.
- Project gets constructed.

- UNPAVED TRAIL ROUTES

BAYO CANYON TRAILHEAD

NTS ①

LEGEND

- PAVED PEDESTRIAN ROUTE
- MAINTENANCE ROAD
- UNPAVED TRAIL ROUTE

NOTES

- Parking capacity appears inadequate.
- Parking spaces not clearly demarcated.
- Parking circulation conflicts with pedestrian access circulation (safety issue).
- Steep slopes are a design challenge for renovations and ADA compliance.
- Slope from N Mesa Rd may provide a design challenge.

① Entrance from N Mesa Rd (West)

② Existing Pedestrian Path at Parking (Northwest)

③ Bayo Canyon Connector Trails (Northeast)

④ Pedestrian Path (East)

⑤ Kiosk and Bike Repair Station (East)

⑥ Access Road (Northeast)

⑦ Stair Access From San Ildefonso Rd (North)

⑧ View From Tunnel Path (East)
